Hi Lisa,

Thank you for reaching out. We're doing our due-diligence on our side to understand where the process stands within DWP and how long it might take to bring the contract back to board.

In the meantime, it'd be great to speak with you about local support for the center. Do you have time Thursday to jump on the phone quickly?

Thanks,  
Rebecca

Dear Rebecca:

Thank you for reaching out to us regarding the status of the LaKretz donation to DWP Cole Properties (1033/1037) proposed construction of the Hollywood Customer Service and Community Center Project. This matter was most recently heard at the DWP Commission on October 4, 2016 whereby the Commissioner's opted to defer the matter to a future date. Here is the link to the minutes to the commission meeting: [DWP Commission Meeting 10-4-2016 #29 page 11](#). Our Board of Directors would like this project to move forward and whatever we need to do to assist please let us know.

It was Mort LaKretz intention to have this property built out for the community. This property transferred hands back in 2009 - so it's been a long time coming. Let me know what next steps we need to take to facilitate this matter.

Thank you,
